

Dearly beloved, shalom!

This newsletter comes to you from Chico, California where I have been "sheltering in place." While I was often sitting quietly in God's presence, He has comforted and strengthened me, filling me with inspiration and prophetic revelation.

These days it is most important for us to believe God for His mercy to triumph over judgment. To believe Him for deliverance, healing, protection, restoration and restitution of what we have lost.

In view of the promised great end-time harvest, we are being challenged to trust the Lord to change the present tide. We ask the Prince of Peace to pour out his Spirit again, for His voice to be heard. That He would continue to give us the gifts of repentance and to

intervene in the present deep political divisions, moral bankruptcy and devastating conditions of many cities.

We expect businesses to return to productive endeavors, to create jobs for all, sustaining families and countries. We anticipate the healing of our nations, generating the necessary finances for the expansion of God's glorious Kingdom.

I will share some of the scriptures that the Lord has been giving me and how they connect to this present tumultuous time of continuous shaking and second waves of Covid-19.

GOD'S ULTIMATE PLAN FOR US

...is to bring us, the church, the bride of Christ back to the majesty and Glory God intended for her.

For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil (well-being and not for disaster), to give you a future and a hope. **Jeremiah 29:11**

In case you think a lot is coming against you, that also indicates God has put a lot inside of you because He has made us be more than conquerors..." We do not need to be afraid. He is inside of those who received him.

Christ in us, the hope of glory. He is with us always. He never leaves us nor forsakes us. There is no power, that can separate us from God's passionate love. So take courage!

The Holy Spirit has been filling my heart with these glorious promises. The present shaking will be followed by God's glory and by His peace.

Haggai 2:6-9 Desire of All Nations

6 "For thus says the Lord of hosts: 'Once more (it is a little while) I will shake heaven and earth, the sea and dry land; 7 and I will shake all nations, and they shall come to the Desire of All Nations, and I will fill this temple with glory,' says the Lord of hosts. 8 'The silver is Mine, and the gold is Mine,' says the Lord of hosts. 9 'The glory of this latter temple shall be greater than the former,' says the Lord of hosts. 'And in this place, I will give peace,' says the Lord of hosts." **The Desire of All Nations is one of the names of the Lord Jesus.**

God promises that the glory of the latter house will be greater than the glory of the former temple.

Do you know that you and I are the temple of God today (see 2 Corinthians 6:16) God's

glory (His manifest presence) is upon us and in us? Just as the temple in Haggai's account would increase in glory, so you and I also increase in glory as we grow in God. The glory we had in the past (the former glory) is not as great as what we are able to have today or will have tomorrow.

This must become our assurance and part of our Vision for the future.

During the present upheaval, - the shaking, - we are also experiencing a time of purifying, provided we wholeheartedly practice faith, repentance, -staying in the presence of the Lord and worship.

Acts 3:19-21 From suffering to Glory

19 Repent therefore and be converted, that your sins may be blotted out, so that times of refreshing may come from the presence of the Lord, 20 and that He may send Jesus Christ, who was preached to you before, 21 whom heaven must receive until the times of restoration of all things, which God has spoken by the mouth of all His holy prophets since the world began. NKJV

When will that be, you may ask. Many feel it is now, in these last days, that «all things» prophesied will be fulfilled and restoration completed. We experience multiplication, increase when God restores. It affects our behavior, our relationships, businesses' health and finances.

God is seeking to restore to the church to a state more powerful majestic and glorious than anything the world has ever seen. Verse 21 tells us it will take place « Before Jesus returns. »

Our Lord" Jesus must remain in heaven" until everything is restored to order again. God is speaking to the Church. In the meantime, believers are to wake up, get up and be light in this present darkness -or time of increased lawlessness -that covers all nations.

Isaiah 60:1 So then get up, arise and shine.

I trust that believers will begin to experience positive changes by the end of the year.

We will witness sudden changes in the midst of violence distractions and uncertainties.

Our heartfelt thanks to you, my dear partners in God's harvest field. You have considered the poor with your generous offerings to KHM and have become a present help in times of trouble to many. This is provoking God's blessings, His grace and compassion to be with you. He promised to deliver you in times of trouble. He will protect, and strengthen you and keep you alive. (Psalm 41:1-2).

Praise His Holy name!
