Hi, dear partners and friends,

First of all, I would like to thank you for your valuable participation in our last Missions in S.E. Asia.

Jakarta, Indonesia

Much to my surprise, I found the same tremendous revival - the outpouring of God's Spirit, Joy and Miracles,- during ministry on the island of Java, as I witnessed in Vietnam!

Simply amazing, His manifest presence in certain congregations.

In every meeting, I experienced the same enthusiasm and everyone was on fire for God.

Pure adoration and repentance from the heart. This pleased the Father so much, that in one office Fellowship, his glory cloud came to hover above us.

Kupang, Capital of Timor Island

God enabled us to help starting fires.

In Kupang, the preparations for these three nights of Revival Meetings and Teaching Seminars in the mornings began many months ago.

Leadership and interpreters for the conference "Carriers of God's Glory"

What a privilege we have, to reach our lost generation with the glorious gospel.
Shortly before the scheduled date of meetings, our venue was changed and we ended up in a building without air-condition.
900 people each night could not be deterred from attending the meetings in temperatures of 103°F / 38°C.

Grant and Courtney Conner are releasing compassion and encouragement.

Grant C. and interpreter Ps. Lili Bait teaching on Royal Entrepreneurship.

Ps. Alina and Ranjit from Malaysia ministering in the workshops.

The Holy Spirit worked with the teachers confirming their words and imparting spiritual gifts to establish believers in their faith.

I'm so thankful to God that he gave me co-missionaries like you, who pray and /or give financially. I admire your effective working and your persistence in the execution of the preparation for these important meetings.
Together we are called to carry out God's glorious plan.

70 youth from another ministry worship the Lord with dances. (Psalm 149) And all were rejoicing in their Maker with high praises of God be in their mouth.

We witnessed how a river of precious souls, with testimonies of healing and deliverance, came to Jesus to receive salvation through the precious blood of Christ.

Healed of all pain and an incurable disease.

Husband's foot and leg healed, after 3 years of constant pain through fractures caused by an accident

Prayer Requests

God opened doors for us to minister to tribal people in remote jungle areas of Peru, where many people have never heard about Jesus. Effective immediately, we need two more workers to serve Indigenous native people and financial to pay their salary.

Angelic protection for Letty and Kitty while in Cuba and in the jungles.

Merry Christmas

with abundant blessings,

From Peru, your missionary,
