Dear ones, shalom!

Greetings from Indonesia

Pastor Ita Utomo, my interpreter, and I have a true passion for the glory of God and for revival. Compelled by the heart of the Father to seek and save the lost and cause backslider to repent and to return, Pastor Ita and I were commissioned to release God's love and power in the Indonesian Islands of Java, Sumatra and Kalimantan, ex Borneo.

God's fire ignited revivals in different cities, invigorated students in Bible Schools, and empowered pastors in seminars. In spite of persecution churches and home fellowships are growing. God confirmed His Word with signs in all places where He sent us. The people responded with great thankfulness and joy, as captives were delivered, the sick were healed, and lives were radically changed.

We believe that through outreach, missions, and evangelism, one changed life can impact a nation and transform a generation. We at K H M have answered the call to lead a generation in the movement of both the Word and the Spirit. God has opened doors for global impact.

By the grace of God and with the power of an encounter my teams and I are truly unlocking a generation's destiny one heart at a time. Indonesia's Christian make up for 20% of the population and 40% of the believers are under 20 years old!!!! Their faith ignites the power of the Holy Spirit, that's why meetings are so exciting. It is a real delight for me to rock the flock!

I am particularly happy that God continues to introduce me to different indigenous tribal groups. These are really expecting something from God and He is rewarding them!

Indonesia has a great variety of food. At a pastors luncheon in Kalimantan we were served most delicious local delicacies: see food and dog meat garnished with floss.

In Makassar, we had a wild night as demons were screaming out of people, proving the power of God's word and Spirit. All glory to Jesus.

Makassar: Theme "Jesus heals", anointing with oil at YHS Church.

At the altar call people run to the front. Many healed and delivered.

BURMESE REFUGE CAMP IN THAILAND

In March, we ministered to Myanmar Refugees of the Karen Tribe in one of seven large camps bordering the Kingdom of Thailand. We were welcome everywhere in these vast harvest fields. Your generous donation abled us to donate food, pay the interpreters and the many travels.

Your support of Kitty Hamilton Ministry has eternal value. According to what we sow, we will reap. As you continue to support us faithfully, you will be part of Gods life changing miracles among indigenous native people in Peru, SE Asia and to multitudes in other parts of the world.

May all your love and efforts bring forth a rich harvest of blessings for you and your loved ones. Remember, my prayers are with you as well.

Abundant blessings,

In the Be-loved, your missionary

Kitty Hamilton
