My dear friends and family, Shalom!

Its been a while since you heard from me. During the last months, God has called me to re-arrange my schedule and make practicing His presence for deeper encounters with Him my priority.

As I grow in awareness of His sweet and steadfast love, His healing mercy and boundless grace my passion for the Lord, my Father is deepening. Spending time with Him becomes the delight of my days. My life is becoming an ever-increasing adventure of faith, discovery, and revelation.

At the beginning of the year, I ministered in Peru. Together with our local crew, we served the indigenous native Aguaruna tribal people. God opened doors in remote jungle areas where some had never heard about Jesus Christ. (More about this in a separate Newsletter). March through June, I journeyed to Indonesia, Malaysia, and Germany. God arranged full access to minister in these places.

I praise God for the glorious and miraculous things He did. He is saving the lost, healing and delivering people's lives through people like you and me.

The Lord is not looking for our abilities, but our availability. You may not be called to the foreign mission fields, but we are all called to be a witness of Jesus Christ.

This is our great commission.

Through prayer and financial giving, you are partnering with the vision God has commissioned KHM to do in foreign nations and at home.

Prayer Requests

God opened doors to serve and minister to tribal people in remote jungle areas. Where they have never heard about Jesus. Effective immediately, we need two more workers to serve Indigenous tribal people in Peru, and the finances to pay their salaries.

A team of 45 people have been preparing for a 3 day Revival Conference sponsored by KHM on November, 12th-14th. The Conference will be held in the city of Kupang, Capital of Timor Island, Indonesia. We expect 700 people to attend the workshops during the daytime, where we will provide lunch. We will also accommodate night meetings for 1000 people in a hall with AC.

Please believe with me that, He who gave me the Vision for this event will also provide the provision.

May your days be filled with God's blessings and favor, on you and your family.

Psalm 84:11

From the heart - your missionary,

Kitty Hamilton
